

## 4TH ANNUAL BLUEBERRY FESTIVAL

"it's a blueberry explosion!"

It's that time of year again! As we reach the peak blueberry season we are reminded of all the simple offerings of summer. Beyond the fairs, fireworks & days at the pool, it's the foods of summer that really bring us together. Blueberry season is in full swing by mid summer so we would like to invite you to experience all things blueberry, & hope we can become part of your summer experience.

## FARM FRESH BLUEBERRIES FROM JOLIET, IL

Our friends Dennis & Karen Knutson from Knutson Country Harvest Farm brought down 500 lbs. of fresh-picked blueberries to get us started on our blueberry pies & tarts. Of the many varieties they grow, they brought us 3 kinds: Duke; a large, very firm berry with a mildly tart flavor, Northland; small, sweet & juicy and Elliot; a medium-sized, tart berry. Together they make a nice balance of sweetness & tartness. You can purchase pints of these berries in our store or enjoy them in one of the many different pastries we are baking this year.
