

5th Annual Blueberry Festival

"it's a blueberry explosion"

It is our 5th and biggest Festival yet! As we reach the peak blueberry season we are reminded of all the simple offerings of summer. Beyond the fairs, fireworks, & days at the pool, it's the foods of summer that really bring us together. Blueberry season is in full swing by mid summer so we would like to invite you experience all things blueberry & hope we can become part of your summer experience.

Local Blueberries From Knutson Farms

Our friends Dennis & Karen Knutson from Knutson Country Harvest Farm brought down 500 lbs of fresh-picked blueberries to get us started on our blueberry pies, tarts & breads. Of the many varieties they grow, we bought 3 kinds; Duke: a large, very firm berry with a mildly tart flavor, Northland; small, sweet & juicy and Elliot; a medium-sized tart berry. Together they make a nice balance of sweetness & tartness. You can purchase pints of these berries in our store or enjoy them in one of the many different pastries we are baking this year. For more information & the link to Knutson Country Harvest Farm, go to our web site www.thedbcafe.com
